Exciting Summer School Program Opportunity in Budapest!

Budapest Business School University of Applied Sciences is organizing its SUCCESS program

'Summit of Universities: Call for Central European Summer School'

'Success of V4 Countries and East Asia - Business Areas of Mutual Advantage'

Time is your most valuable asset. That's why our ambitious curriculum allows you to earn a global experience within 2 weeks.

Practice new business thinking by tackling the issues facing some of Central Europe's most up to date topics.

You will be taught by professionals with real-world business experience who will be focusing on the special issues of V4 countries' economy and the business opportunity with East Asia.

Students will have possibility to gain a uniquely global perspective by expertise both local and international businesses' operation in Central European area as well as learning in a global environment, while experiencing the imperial architecture and lively cultural life that Budapest has to offer.

Practical considerations

Timing of the Summer School: 01 July 2019 – 14 July 2019;

2 weeks of full-day lectures / 6 ECTS

Individual work: until 31 October 2019 / 4 ECTS optional.

Format: 40 hours per week where of 30 hours is in class studies

Topics: Grades and test scores are important, but they don't tell the whole story. That's why we ensure you a new kind of leisure related learning method. You have to keep your skillset relevant and up to date—for life. Now's the time to understand from a totally different perception how Central European V4 countries businesses work and the similarity and difference with East Asia.

Accommodation: 2 weeks' accommodation is included

Participation by selected students is subject to a fee of 1.190 euro which entitles the students to the following benefits:

- Excellent accommodation in Budapest city centre: apartments with double rooms; kitchen and bathroom; close to the university and the entertainment district
- Free breakfast and lunch on lecture days
- Organized study trips and company visits
- Theoretical and practical lectures by lecturers with strong professional background
- Opportunity to work in international groups
- Opportunity to try yourself in an international environment
- Opportunity to learn more about V4 Countries as well as there's business and cultural life
- Public transport passes with free Danube cruising
- Organized entertainment programs such as opening and closing parties; cruise to the Danube Bend travel to Lake Velence

Participation fee does not include: insurance, visa and travelling expenses.

In case you have any further request or questions we are happy to help.
